

I am Azka Khoirunnisa. I just graduated with a bachelor's degree from the Department of Pharmacy, University of Muhammadiyah Malang. I am interested in bioinformatics such as molecular docking and network pharmacology. In this 2024, I have published two SINTA-accredited or National-level journals in Indonesia

- Network Pharmacology Analysis of Secondary Metabolites of Ciplukan (*Physalis angulata* L.) Against Lung Cancer
<https://doi.org/10.22146/farmaseutik.v20i2.96275>
- NETWORK PHAMACOLOGY ANALYSIS OF SECONDARY METABOLITES OF *Abrus precatorius* L. IN SILICO
